

NUS RADIO PANDEMIC PLAN

The online radio platform is able provide each of the 9 faculties and centres a designated online stream for the purpose of providing course audio content. Our RF currently has limited reach however our online platform can be accessed from anywhere around the world and is the preferred medium to deliver audio content for NUS courses.

How to access NUS Radio Online

- NUS students to download the radio app through apple store and play store. The app is called “listen2myradio”
- The app can also be downloaded through QR code

HOW TO SCAN NUS RADIO QR CODE
1. Open the Camera app either from the lock screen or tapping on the icon from your home screen.
2. Hold your device steady for 2-3 seconds towards the QR Code you want to scan.
3. Click on the notification to open the content of the QR Code.

- Launch the app and type the name of the programme e.g “nusfos” in search area, and this will direct all Faculty of Science students to listen to their particular courses the same goes for other faculties and centers.

SCHEDULING

Lecturers who wish to use the platform can record their talks on their personal phones or laptops and send it to the nus gmail account nuswebsite2017@gmail.com along with information about the Name of the Course and the Programme.

The courses audio have to be sent at least a day before the broadcast to give time for scheduling on the system. We will inform the lecturer of the time slot for course to be aired so they can inform their students to listen in. A notification from the radio app will be sent out to all NUS students to remind them of the courses that are going to be broadcast.
